The Clean Rivers Society Celebrates Environmental Stewardship

Illinois— 23/09/2023 — The Clean Rivers Society, a dedicated nonprofit organization committed to restoring and preserving our water ecosystems, is thrilled to announce two upcoming in-person events that will bring communities together in celebration of environmental stewardship and sustainable practices.

1. River Revival Festival

Date: 10/09/2023

Time: 8.30 a.m.

Location: Riverside Bridge, Chicago

Join us for the River Revival Festival, a family-friendly event filled with live music, food, and fun activities for all ages. Celebrate the positive impact of our river cleanup initiatives and learn about the importance of preserving our water resources. Engage in interactive workshops, enjoy local cuisine, and connect with like-minded individuals dedicated to creating a healthier environment.

2. Community Cleanup Day

Date: 10/10/2023

Time: 9.00 a.m.

Meeting Point: Yukon River, Alaska.

Get ready to roll up your sleeves and make a tangible difference! Our Community Cleanup Day invites volunteers to join us in revitalizing the riverbanks. Equip yourself with gloves and bags provided by the Clean Rivers Society as we work together to ensure a cleaner, more sustainable future for our community. This event is a fantastic opportunity to give back, meet fellow environmental enthusiasts, and make a lasting impact on our local environment.

Quotes

"Dwight Hitler, CEO at Clean Rivers Society, expresses excitement about the upcoming events: 'These in-person gatherings allow us to connect directly with the community, fostering a sense of shared responsibility for our environment. We invite everyone to join us in these celebrations of our collective commitment to cleaner, healthier rivers.'"
